

Coaching Skills for HR Professionals

By Irina Miu

BACKGROUND

As HR professionals we are the gate of the organization and we are the support structure each function, team, department, project or individual should rely on. Daily we are confronted with situations that require our full self. But how can we make sure we make the most of what we have? How can we best assist our business partners and colleagues in achieving their results?

Course Overview

Pre Work – participants are required to complete an online questionnaire targeting the identification of specific needs from the training program in order to bring customized examples.
