

ISO 9001:2015 Insight/Awareness of Changes (8 hrs)

(This programme is conducted in partnership with SQ Centre)

This ISO 9001 Insight training will provide an overview of the new structure, risk-based thinking, organisational context, leadership, planning, operation, support, performance evaluation and improvement as set out in the International Standard. This course will raise your awareness of the main changes that an organisation will need to undertake.

KEY BENEFITS

- Understand the main changes of ISO 9001:2015
- Understand the new high level structure
- Learn about the potential impact of ISO 9001:2015 on an existing quality management system

COURSE CONTENT

- ISO 9001:2015 timeline
- Quality management principles
- Structure and terminology
- 'Annex SL' framework
- Process approach
- PDCA cycle
- Risk-based thinking
- Organisational context
- ISO 9001:2015 main changes
- Certification transition and timeframe

LEARNING METHODOLOGY

Participants will learn through lectures, group discussions and class exercises.

WHO SHOULD ATTEND

Managers, management representatives, practitioners, auditors and staff who are keen on learning the main changes, especially those who are responsible for maintaining the quality management system and transitioning to ISO 9001:2015.
